

GRINNELL PUBLIC LIBRARY DISTRICT WAPPINGERS FALLS NY

Equity, Diversity, and Inclusion Policy

The Grinnell Public Library District (GPLD) believes in working together to co-create a society that is free from structural inequities.

GPLD commits to inclusion and making full use of the talents, skills, experiences, and cultural perspectives available in a multi-ethnic and diverse society, where people feel they are respected and valued, and can achieve their full potential regardless of race, religion, nationality, national or ethnic origins, sexual orientation, gender, disability, or age.

Our goal is to build empathy, respect and understanding among neighbors, to activate civic engagement, and to build community resilience that will authentically uphold our core values of diversity, democracy, and social responsibility.
